* INDICATES WEEKEND/HOLIDAY DUTIES

POC is SPC Scott, 545-5127.

4. STAFF DUTY CHAPLAIN: The Staff Duty Chaplain can be reached for emergencies during non-duty hours through the Staff Duty Officer, Infantry Hall, 545-2218.

5. MILITARY POLICE: Official emergency telephone numbers for the Fort Benning MP Desk (911, 545-5222/3/4) are recorded for accuracy of record purposes (AR 190-30). POC is CPT Sides/MSG Jones, Law Enforcement Division, 545-4376.

6. UNAUTHORIZED HANDLING OF DUD AMMUNITION: All ranges and training areas on the Fort Benning installation are particularly dangerous due to unexploded ammunitions. Persons who enter areas are in extreme danger, especially children, who are naturally curious and will pick up a harmless looking object, unaware of the danger in which they placed themselves. Sometimes merely walking in the area of dud ammunition will produce sufficient vibration to release the firing mechanism causing the shell to explode. Prevention instruction and adherence to safety regulations will help avoid the misery and grief accompanying an injury or death for dud ammunition accidents. Fort Benning ranges and training areas are off limits to all unauthorized personnel. POC is Range Division, 545-1602.

7. NOTICE FOR WATER RESTRICTIONS: Georgia is currently experiencing one of the worst droughts of record. Upatoi Creek from which Fort Benning draws its water is experiencing its lowest flow of record. The State of Georgia is requiring all water systems to

a. Watering of lawns and irrigated landscape areas will be restricted. Even house numbers may water only on Monday, Wednesday, and Friday and odd house numbers may water only on Tuesday, Thursday, and Saturday. There will be no watering on Sundays.

b. Watering will be restricted to the hours of 1800-2200. Watering during these hours shall be limited to a total of 30 minutes per allowed day.
